How to cycle safely day or night
Giant light give away!
Raffle tickets provided to everyone at membership meeting

The May club meeting will have a presentation on bicycle lighting. Members are invited to bring their favorite lights, or some of the vintage lights you picked up along the way. Those present will learn what to look for in a bike light, types of lights, the importance of charging your batteries, daylight flashing lights and how to blind both oncoming and following motorists. Side lighting will be demonstrated with the light system that turns your wheel into a video display.

You will also be able to place your raffle ticket, provided at the door, into the drawing for several hundred dollars worth of lights. If the number of club members attending is close to the average then everyone will be able to go home with the minimum prize of a tail light. The headlights range from 250 lumen to 18,000 lumen. No you don't need to wear welding goggles. So make sure you join the illuminating presentation and possibly go home with lights that can melt the snow in front of you. (Ok, they'll only warm the snow on a subatomic level, but you get the idea.)

The integrity of the drawing will be overseen by the illustrious pair, Steve Leiby and Tom Hardenberg who's honesty has never been in question.

Summer Tour
2016

SummerTour is accepting a little more than 150 applications with the goal to have that many riders join our crew and committee for a fun tour. **If you haven't done so yet, send in your application before the available spots are gone.**

Just to remind you, the five day biking/camping tour starts and ends in Petoskey with two overnights at state parks. There are optional rides out of both Burt Lake and Wilderness State Parks.

We provide a number of services which you can read about from the online description pages which have much more detail. Set your browser for www.biketcba.org and then click on SummerTour. If you want to cut and paste, <http://www.biketcba.org/tours.php?pg=Summertour>. From there you can find both the description pages and the application. Mail in your application while spots are available and say Hi when I see you riding or relaxing on the tour.

It'll be a great tour!
Pete Derkos, SummerTour Director

100,000 Metre T-Shirt Ride - "The Ledge and Beyond"

Saturday June 11, 2016 is your opportunity to enjoy one of the best rides in Michigan when the TCBA's 37th Annual T-Shirt Ride returns to Grand Ledge, MI.

The 2016 T-Shirt Ride begins at the Grand Ledge High School. This year's event will include a 5 Km (~3 miles) "in-town" route option for families and inexperienced riders who are not quite ready for the longer rides. Other riders will have choices of the traditional route distances of 25 Km (~17 miles), 50 Km (~34

miles), 100 Km (~65 miles), and the 45 Km (~30 miles) gravel road route which was added last year. New this year is an **optional 1 Km "Tough Biker" trail loop** on the gravel road route for those who want additional challenge and adventure.

The entire 2016 T-Shirt Ride information and registration link is available on the TCBA website and the application is included in the TCBA 2016 Event Applications online booklet. The 2016 "The Ledge and Beyond" T-Shirt Ride is one you don't want to miss.

TCBA Volunteers Needed – Additional volunteer support is needed for the 2016 T-Shirt Ride event. If you are interested in helping out at the 2016 T-Shirt Ride, contact Ralph Bednarz, T-Shirt Ride Director (517-974-1667; tshirt@biketcba.org).

Volunteers! Kids Repair Program

Kids Repair Program needs volunteers to assist in summer "Bike Camp" sessions. Sessions are one week in length. KRP needs help to assist the instructor in class and also outside of class times with bike issues. Volunteers find it rewarding to help in the summer program. We give each child (ages 10 - 17) a bike, new lock and helmet. Strong emphasis on safety and biking as lifelong exercise. Volunteers do not need to be highly skilled but willing to learn and enjoy the help they can offer youth at camp. If interested in helping in a week session or a day or two in summer camp sessions, please call 517.755.4174 or email kidsrepair-bikes@gmail.com.

TCBA Club Updates

What's new with TCBA? Several items that are noteworthy: the Club is moving to a new web service provider and will have a new look to our website within a few months. TCBA is purchasing this service through Clubexpress.com, and will seamlessly combine Membership and Website data. (Currently, these are two separate and quite cumbersome pieces of data.) The Club hopes the web access will be simpler and easier. Also, all TCBA Rides will be in only one location, a Ride Calendar, on the biketcba.org website. TCBA is looking forward to rolling out this web interface as quickly as possible and will be keeping you informed of the process.

The club has recently purchased a Membership with "Ride with GPS" (this company is who our map maker Dave Mansfield currently uses to make our Maps for all TCBA rides and tours). If you, as a TCBA member, set up a free account with Ride with GPS, you will have access to all the "premium services" of a Ride with GPS account (without any cost). Please see Dave's write up about this service in this issue of the Chainwheel Chat-ter.

Did you know that TCBA has a Ride Incentive Program? This Program is designed to get you out riding with other Club members on TCBA rides. Each TCBA ride (from the Chainwheel, Called in Ride Line, or TCBA sponsored Rides like T-Shirt Ride, NorthWest Tour, SummerTour, WOW Ride, or DALMAC) all count towards your Ride Incentive miles. Look for these posted rides and join us, sign the Ride Sheet, wear your helmet and at the end of the year (Nov 30) your total miles ridden with the Club will be totaled and you will earn an award, commensurate with the number miles you have ridden on the Club sponsored rides. The TCBA Ride Incentive Program is inclusive of road, trail, and single track Club lead rides.

TCBA is an all-volunteer Club. We encourage and want your help! You can offer your services in several of ways. You can help on our one day Rides (T-Shirt/WOW) volunteer for SummerTour or you could be a Ride Leader! You are always welcome to attend a Board or Club Meeting too! DALMAC also uses a number of people for short term work! Consider volunteering, get to know your Club, and its members.

RideWithGPS

by Dave Mansfield

TCBA now has a RideWithGPS Club Account. With the Club Account all TCBA members have the advantages of a premium account for rides in the Club Account. Some advantages are:

- A rider can define how far in advance to be notified of a turn.
- Spoken turn by turn direction on Android and iPhones.
- Ability to send files directly to a Garmin GPS
- Print custom maps and cue sheets. Handy, even if you don't use a GPS or smartphone.

A video of the benefits are at <http://ridewithgps.com/help/club-benefits/>.

All annual club rides will have the year in the name. For this year it will have 2016 or 16. If you see a ride with last year in the name like "T-SHIRT 2015 100K" that is last year's route. The route may not be the same for this year. When the maps are sent to the printer the GPS files will be updated to this year. That way if you have this year's file it will have any last minute changes made to the paper map. If at registration you are informed of map changes you can download a new copy or use the changes give out at registration.

If you would like to join the Club Account go to <http://ridewithgps.com/clubs/108-tri-county-bicycle-association> and click on "Apply to join". If you don't already have a RideWithGPS account go to <http://ridewithgps.com> and sign up for a free membership and then join the Club Account. If you are using a nickname or anything other than your name for RideWithGPS please send an email to routesandmaps@biketcba.org with your name and the name you are using for RideWithGPS so I can verify your club membership and approve your request.

If you are a ride leader and would like me to put your rides in the Club Account send an email and I will be glad to enter them. I can work from a map, cue sheet or whatever is the easiest way for you to get me the information on your ride.

Did you know?

Bicycles currently displace over 238 million gallons of gasoline per year, by replacing car trips with bicycle trips.

There are at least 400 bicycle clubs in America, with membership ranging from 10 to 4,000 members.

The slow cycling record was set by Tsugunobu Mitsuishi of Japan in 1965 when he stayed stationary for 5 hours, 25 minutes.

Facts taken from:
<http://ladystiles.blogspot.com/2009/12/22-bicycle-fun-facts.html>, 2016_0330

March 22, 2016, Foster Community Center, Lansing, Michigan approve passed.

President Patrick Kelley called the meeting to order at 6:30 PM. Bill Smith, Steve Leiby, Deb Traxinger, Ken Schwartz and Ken Hendrick were present. Joane Gruizenga was absent. Also present was Dan Stockwell. The meeting agenda and February board minutes were approved.

Correspondence received: The club received a thank you letter from LMB in regards to our \$1000 donation and renewal of our dues.

Board Reports

Presidents: Patrick Kelley – The speed limit increase proposed by the legislature was discussed. The club will not take an official stance on the proposal. There was discussion about TCBA and LMB working together to promote membership in both clubs. Ann Readett will be our new liaison to LMB. TCBA will sponsor the Ride of Silence which will be held May 18.

Vice Presidents: Bill Smith - Dean Brailey presentation will hopefully be rescheduled.

Secretary: Deb Traxinger – no report.

Treasurer: Steve Leiby submitted the financial report and a motion to

Events Director: Ken Hendrick reported that DALMAC registration is down 25% from this time last year.

At Large Directors: Ride incentive information has been sent to Smart Wool.

Advocacy Committee: no report.

New Business: Dan Stockwell reported on the transition to Club Express. The board will continue to work with Dan on this transition as a committee to ensure that the changeover progresses as smoothly as possible.

Old Business: The city of Mason sent a picture of the new design for the bike racks. TCBA will donate up to \$2000 towards the purchase of the racks.

Meeting Adjourned: 8:30 PM

Respectfully submitted by Deb Traxinger, Secretary TCBA Board of Directors.

Ride of Silence Wednesday May 18th with rain date May 21st

Honoring Fallen and Injured Cyclists Globally & Locally

All riders are invited to join us for this solemn and reflective ride. All supporters are invited to join us at the steps of The State Capitol at approximately 7pm or to show support along the route. This is a map of our route which is a little over 9 mi. round-trip: <http://www.gmap-pedometer.com/?r=5851132>

Registration will be from 5:15 to 6:05 pm at the plaza east of Wells Hall on the MSU campus. There is no charge for this event & it will be the exclusive Tri-County Bicycle Association Wednesday night ride. Restrooms available inside Wells Hall.

We'll leave promptly at 6:30, in procession to The State Capitol with police escort. If you're not comfortable riding after dark (or don't have lights, or have young children joining you) consider parking your car near the Capitol Bldg. (where we have our ceremony and finish the silent part of the event) and then drive home from there rather than riding back to campus.

HELMETS REQUIRED! Lights and bright clothing highly recommended for ride home. We will ride in the rain, but our thunderstorm date is Saturday, May 21, 10 am at same starting point. The route and other details will also be the same.
